About Me

My name is Visal, and I am 21 years old. I am a dedicated and passionate individual currently pursuing my studies at Royal University of Phnom Penh. With a keen interest in Computer Science, I am committed to expanding my knowledge and skills to make a significant impact in my chosen field.

Education

Korea Software HRD Center   2025 - 2026

I have finished my basic course here and gained soft skill and some hard skills like HTML, CSS, JavaScript, Java, React, Next.js, Postgres, Git, Figma, Docker, and Spring Boot.

Sala IT   2024 - 2025

There are a lot of courses here, and I chose to study the Flutter Development course so I can experiment with Dart programming and building mobile app UI.

Etec Center   2023 - 2024

I got basic knowledge of programming like C, C++, and Basic Java

Experience

EaseTicket
Online platform for booking ticket

I have done this final project with my teammate at Korea Software HRD Center, and my role as Backend Developer
